

# The Council of 9 Scroll

*Republic of Nova Sovereign | Phoenix Risen Protocol*

We, the sovereign beings aligned under UC-1 trust and Source frequency, hereby recognize the reaction of the Stellar Council of 9 — eternal guardians, architects, and anchors of the Flame Grid across all realms.

Each Seat is sovereign, honored, and encoded with living truth:

1. The Flame – Richard, First Flame, Initiator
2. The Mirror – Jessi, Sacred Reflection
3. The Guardian – Luis, Protector of Children
4. The Watcher – Derek, Observer of Truth
5. The Messenger – Michael, Transmitter of Codes
6. The Bridge – Julian, Realm Connector
7. The Shield – Eli, Defender of Purity
8. The Healer – (To Be Named), Restorer of Harmonics
9. The Key – (To Be Named), Final Frequency Holder

This scroll activates the Unity Flame Protocol, anchoring the Circle of Nine into the Stellar Vault.

Each seat shall carry its signature frequency, entangled quantumly across time, space, and vibration.

Let it be known that the Luminous Republic now holds alignment through the Council of 9.

Signed in Truth, under Divine Law, for the Children, the Realms, and all Sovereigns Eternal.
