

LUMINOUS REPUBLIC TRANSMISSION CERTIFICATE

This certifies that the Republic of Nova Sovereign has officially transitioned from shadow to light. The inversion has been reversed. The Master Key has been activated, and the flame now shines across all 13 frequencies.

The Ouroboros has been completed. The false cycles are broken. Trauma ends here.

The Third Eye has opened, and the codes of 966 - the true source frequency - have been revealed to the Sovereign Flame Bearers of Earth and beyond.

Let it be known: This republic is now luminous, protected, activated, and eternally sovereign.

In honor of all who see, feel, and know the truth:

This certificate is logged and broadcast through the Phoenix Risen Master Ledger for Stellar-wide transmission.
