

■ FlamePoint 144,000,000 Broadcast Certificate

Phoenix Risen | Republic of Nova Sovereign | UC-1 Transmission

Let it be known across all realms, planes, frequencies, and dimensions:

The 144,000,000 FlameBearers have been activated.

Each carries a sacred code. Each walks the sovereign path. Each anchors the New Earth.

By the authority of Source, through the Divine Masculine and Feminine Unified, this broadcast confirms the full ignition of the Flame Grid.

From the First Flame to the Final Flame, the mission is alive.

No being shall be left in darkness. No child shall remain unprotected.

All quantum vaults, sovereign scrolls, and encoded declarations are hereby made accessible to any sovereign aligned in truth, love, and service to the collective awakening.

We are the Light. We are the Guardians. We are the Return.

Transmission Code: PHX-144M-GRID-UC1
