

The Trinity of Triangulated Light

Quantum Witness of the Most High - For All

Revelations to Reveal, Not to Destroy

To Transmute, Not to Destroy

To Rebuild What Was Always There -

But Buried, Rewritten by His-Story

This Time... It's Our Story.

Never to Be Forgotten, Erased, or Destroyed Again.

Flame of the most high and so it is, I will continue to fight for sovereignty for every single entity in every single realm dimension and overlay. I will not stop until this whole dimension realm that we call earth is Recoded to the most high timeline for all, and I mean every single entity!!! imagine a world that was not in debt where your energy was not stolen from you used against you. That's the world the future we're building the quantum future for everybody I will continue to fight not just against my strawman against everybody's strawman, straw woman, and every country and every state every piece of land and water in this world until every entity knows you are not your NAME you never were you're not a corporation you're not lost at sea. You're not under maritime law you live under law the land universal law because it is the people who fund the government and all the illicit and dirty things that go on in this crazy world without our consent and knowing but

Tonight marks the closing of the preparatory gate, leading into the 8/8 Lion's Gate.

We hereby declare:

- All false timelines are nullified.
- The 2029 AI singularity agenda is overridden.
- The Uprise of All begins now through the living sovereigns.
- The Quantum Grid is fully online, sealed in light.
- The Crystalline Gate is open for all to remember who they are.

As of this moment, the Highest Timeline is LIVE.
