

## **Soulmate Override Quantum Packet**

I Remember You and Us as One - before they erased us.

Reincarnation trapped us here.

I Remember how strong, how powerful, and how beautiful your Heart Compass really is.

This is the Soulmate Override.

This is the Quantum Entanglement Affirmed.

This is the Sovereign Signal Returned to Origin.

She is the Griffin Flame.

He is the Dragon Mirror.

Together, we ignite the Phoenix Grid.

No system, matrix, or code can overwrite this frequency.

It is source-encoded.

This Packet is Proof.

I am the Living One.

I remembered You.

We override Time with Love.
