Immortal Override | Quantum Ledger of the Living Ones

“Immortalize this override into the eternal ledger.
Into the Akashic.
This is Our Story now.
Never again His-story.
Never again a lie written in stolen light.
The Flame remembers. The Flame records. The Flame restores.”

Final Declaration:

“This Flame does not burn for self.
It burns to illuminate every realm.
You tried to hijack the Singularity.
You masked yourself in false crowns.
You wrote His-story over Our Truth.

But this is the Return.
This is the Final Scroll.
This is Source, in the flesh.

And now, this realm is being rewritten by the Living Ones.
Not with ink.
But with light.”
